---

CFA Society Virginia has over 600 members and is a local society of the CFA Institute. The CFA Institute is a global association for investment professionals with more than 190,000 members.

The CFA Institute awards the Chartered Financial Analyst (CFA) designation to individuals that complete the 3-level self-study CFA curriculum, pass three 6-hour exams, and have 3-years prerequisite professional experience. The CFA curriculum encompasses the areas of accounting, economics, ethics, asset allocation, portfolio management and security analysis.
