

Getting fired up for the holidays doesn't have to be dangerous.

DID YOU KNOW KITCHEN FIRES ARE THE LEADING CAUSE OF FIRES IN CHESTERFIELD COUNTY?

With the holiday season upon us, we will probably be spending more time in the kitchen. Follow these tips to stay safe:

- Keep your cooking area clutter-free.
- Focus on the food.
- Use a timer.
- Have a kid-free zone of at least 3 feet around hot items.
- Keep a lid nearby when cooking in case a grease fire occurs.
