

Register that vehicle!

Did Santa grant your wish and bring you a new or new-to-you vehicle?

If so, remember that registering your vehicle is required by law within 90 days from the date of purchase or entry of the vehicle into the county.

In accordance with the Code of Chesterfield County, all vehicles principally housed, parked or garaged in the county must obtain a vehicle registration. This fee is part of your personal property taxes, and is not related to state registration or fees for a state license plate.
