## Metropolitan Business League's

# MEMBER OF THE MONTH

Starlyn Davidson is the agency owner of Health Star Insurance, a full-service insurance agency dedicated to providing trusted, customized insurance solutions for businesses, families, and individuals. With a strong commitment to education, client advocacy, and community impact, Starlyn empowers her clients to make informed decisions that protect their health, livelihoods, and financial futures.

Health Star Insurance offers a comprehensive range of business insurance solutions designed to help employers manage risk and operate with confidence. These products include Workers' Compensation, General Liability, Errors & Omissions (E&O) coverage, event insurance, and other essential protections tailored to meet the needs of small businesses, nonprofits, and growing organizations. The agency also provides Group Health Insurance solutions, including group medical, group dental, and group vision plans, helping employers attract and retain talent while supporting the overall well-being of their teams.

In addition to business coverage, Starlyn specializes in Medicare planning, Affordable Care Act (ACA) health plans, and Life Insurance, along with supplemental products such as dental, vision, and ancillary benefits, ensuring well-rounded coverage options for individuals and families at every stage of life. Her personalized, consultative approach allows her to create tailored strategies that align with each client's unique needs and goals.

As Health Star Insurance continues to grow, Starlyn is actively building and expanding her team, creating opportunities for licensed agents and professionals who share a passion for service, education, and community impact. Her leadership focuses on mentorship, professional development, and delivering exceptional client experiences.

A strong advocate for the Richmond community, Starlyn is deeply committed to service and education. She regularly works with individuals, families, and small businesses to improve access to quality coverage, increase insurance literacy, and promote long-term financial security.
