

Roundabout Construction at Buford and Rockaway Roads in Chesterfield County

Citizen Information Meeting

Wednesday, January 14, 2026, 5:30 – 7 p.m.

**Bon Air Community Association
8725 Quaker Lane, Richmond, VA 23235**

Come see information about proposed improvements at Buford and Rockaway roads where VDOT is proposing to convert the existing conditions into a roundabout designed to improve safety, traffic flow, and long-term durability. The new design will feature curb and gutter, a raised central island, and splitter islands at each approach to help slow vehicles and guide traffic. Roundabouts are proven to reduce severe crashes compared to traditional intersections by lowering speeds and eliminating conflict points, making this project an investment in safety and reliability for roadway users.

The meeting will be held in an open house format from 5:30-7 p.m. This format will provide the flexibility to allow participants to meet and discuss the proposed project directly with project staff members.

Give your oral or written comments at the hearing or submit them by **Saturday, January 24, 2026**, to Evan Roberts, project manager, Virginia Department of Transportation, 2430 Pine Forest Drive, South Chesterfield, VA 23834 or Evan.Roberts@VDOT.Virginia.gov. Please reference “UPC 122809 Roundabout Public Hearing Comments” in the subject line.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964.
