Response

July 19, 2023

There are pending internal and criminal investigations into a matter believed at this time to be limited to three inmates, one of whom was found unresponsive on Monday and unable to be revived despite the prompt efforts from jail staff and medical personnel. The cause of death is unknown and is part of the ongoing investigations.

The facility is not on lockdown and inmates are not being prohibited from making phone calls.

Given the pending investigations, no further comments will be provided at this time.

A handwritten signature in black ink, appearing to read "A.C. Jones", is written over a horizontal line.
