

## THANK YOU TO OUR CLIENTS

### A Message from The Yeatman Group

As the holiday season is upon us and Thanksgiving arriving this week, we are reminded of the main reason we love what we do at The Yeatman Group. It's easy to get distracted by the many beautiful homes, communities, and great deals we come across every day, but we wanted to celebrate the BEST part of our industry - YOU, our clients. Everyday we meet amazing people and families whom we get to work with hand-

in-hand as they make the most impactful purchases and sales of their lives.

We are eternally grateful for the over 700 families we've helped buy or sell real estate this year and the over 3,000 we've served in the last 7 years! Together, we've been able to achieve results we never thought possible. Our clients and partners will, and have ALWAYS been the reason we do what we do everyday.

From newlyweds buying their first home, growing families moving up, empty nesters moving down, investors adding to their growing portfolios, and everyone in between, we thank you this holiday season from the bottom of our hearts for allowing us to be part of your journey! We hope to continue to grow our "family" of friends and partners and look forward to another great year ahead. Happy Holidays from our family to yours!
