## Academy of Academic Excellence: An 'unbelievable' learning experience

Swim lessons, chess club, Scrabble club, be-bots with coding classes, field trips, tennis lessons and volunteering/community service balance our already exquisite academic program at the Academy of Academic Excellence.

Inspiring teachers, collaborative curriculum, multi grouping and innovative strategy thinking is interwoven into our day-to-day learning environment.

We are dedicated to differentiating our curriculum and implementing STEM and MINDGROWTH activities. We are proud of our new building, our new playground and our location right next to NOVA swim. Come join us and observe our students' work. You will leave saying 'unbelievable.'

We are located at 12345 Gayton Road.

Academy of Academic Excellence

Come observe our students' work. You will leave saying "UNBELIEVABLE!"

## Amelia Academy: New Directions. No Boundaries.

The possibilities for new directions in education have no boundaries at Amelia Academy, where creativity and innovation are encouraged. Amelia Academy's accredited programs span pre-kindergarten through 12th grade, with before and after school care available.

In addition to our traditional college preparatory program, we offer dual enrollment options, honors courses, public speaking opportunities, an industrial arts program, and community service involvement. With a small student-to-teacher ratio, each student experiences opportunities based on his or her individual academic, cultural, and athletic interests.

At every grade level, we strive to emphasize effective written, visual, and oral communication; teach students to apply knowledge and understand the relevancy of course material; and integrate computer technology in all instructional areas.

Character counts at Amelia Academy. A program of rigorous academic instruction enhances our students' personal development and morality through attention to trustworthiness, respect, responsibility, patriotism, and citizenship.

Learn more about Amelia Academy by attending our Open House on March 22 from 6 to 8 p.m., visiting [AmeliaAcademy.com](http://AmeliaAcademy.com), or calling (804) 561-2270 to schedule a tour.
