

HUNGER DOESN'T TAKE A HOLIDAY

Wrap Up Hunger. Unwrap Joy. That's the River Valley Way.

Dear Friend of River Valley Food 4 Kids,

The holidays should be a time of joy, not worry. But for hundreds of children in our community, the school break can mean **two long weeks without reliable meals**.

That's why Holiday Helper exists—to make sure every child has the food and care they need when school cafeterias close. This December, our community will come together once again to Wrap Up Hunger and Unwrap Joy for local kids and families.

For as **little as \$15**, you can feed **one child for the entire two-week holiday break**. Every dollar you give stays **right here at home**—filling bellies, easing worry, and spreading holiday cheer the River Valley way.

Kids don't stop needing food when school is out.

 **Here's how your gift can make a difference!** 

\$75 – Feed five kids for the holiday break

\$150 – Feed ten kids

\$750 – Feed fifty kids

\$1,500 – Feed one hundred kids

\$2,500 – You're a Hunger Hero!

Your holiday gift doesn't just fill plates this December — it fuels our mission all year long:

 **Backpack Program** – Over **311,000** meals delivered to kids during the school year

 **Pantry Program** – Year-round groceries and support for families in need

 **Summer Food 4 Kids** – Nearly **257,000** meals served across 11 sites this summer

 **Cooking Classes** – Teaching kids to create healthy, budget-friendly meals

Thanks to partners like Tyson, Conagra, Ralston Rice, and the Arkansas Foodbank, every dollar goes further—feeding more kids, more often.

When you give local, you grow local.

Please give by December 15 to help us prepare for Holiday Helper—your \$15 today helps fill one more Holiday Helper box and wrap up hunger for a child this season.

With gratitude,
Leslie Walton
RVF4K Executive Director
