

H O N O R I N G **Black History.** E M P O W E R I N G **Futures.**

At Goodwill Industries of the Valleys, we believe in the power of community. This Black History Month, we celebrate the resilience, innovation, and achievements of Black leaders — past, present, and future — while continuing our mission to empower individuals, strengthen families, and inspire communities.

Through job training, education, and career services, we are committed to providing pathways to success for all. When you shop or donate at Goodwill, you help create opportunities that empower individuals to build brighter futures.

Celebrate. Reflect. Take Action.

Join us in honoring Black history by supporting programs that drive economic equity and growth in our community. Together, we can make a lasting impact.
