

# One year of feeding families and nourishing a community.

After years of collaboration between residents and area organizations, the Market on Melrose opened its doors in November 2024. Today, we're providing vital access to nutritious, high-quality, and affordable food in Northwest Roanoke. In just one year, we've employed dozens of your neighbors, supported local food pantries, and rung up nearly 113,000 transactions.

Your support has meant everything to us.

To say thank you, we're offering special giveaways on our anniversary:

**FREE reusable bags for the first 50 customers on 11/13.**  
**Plus \$20 gift cards randomly hidden in five of the 50 bags.**

Visit the store for more surprises this month. And while you're there, get a jump on all your holiday meals.

After one year, we look back with pride. But mostly we look forward to serving you as an essential community resource.
