There is not a day that goes by that you do not cross our minds. It has been over two years, since you passed and we are still coming to terms with that. Your passing has left a void in many and I am unsure how that void could ever be mended.

We know you have found your peace in God's loving arms, but much grief remains since you were taken from this earth far too early. You were the greatest father anyone could have ever wanted.

We are grateful for your love and devotion as a father. You will never be forgotten and you will forever remain a shining light in our lives.

Happy Father's Day, Dad.

We love and miss you very much,
Jon Caleb and Casey

Happy Fathers Day And One Year in Heaven

I Love You Dad with all my heart, it was always that way from the very start. You're a wonderful man that I honor and respect. On our precious memories I constantly reflect. I miss you more than you will ever know, it's hard to believe how quickly a year goes. Many tears are shed when we speak your name. The pain, the grieving, and the hole in our hearts will always remain. For no day begins or ends without thoughts of you. A wonderful Father, husband, son; nothing could be more true.

In our hearts always and forever.
We love and miss you Missie, Virginia, Lois, J.R.
