At some time yesterday Paul said he wanted to get his haircut after work. So I was at my house with Noah and Abby at 6:00 ^{watching} ~~get~~ tv holding Abby. Noah was playing in the front yard coming in and out he had been all day. Around 6:30 I put on my sweatshirt and jeans and found an outfit for Abby that was warmer then the t-shirt she had on.

haircut but I told him no to come look around w/ me. We walked back to infants because I wanted to look at walkers prices and buy some rings for Abby to play with. While I was in infants Paul found us said that he didn't want to wait for a hair cut it'd be 45 mins to grab what we needed and go. We were walking back down grocery aisle I said he could go to car asked him what snacks he wanted. He told me to get the usual then he went to the car. I had Noah and Abby with me we got soda donuts for Paul & Noah his own bag of powdered. Then we went to health & beauty & had to look around to find suppositories. Then we went and looked for the shortest check out paid and went to the car. I put Abby in the car told Paul he left me and had the card but I had enough cash to buy everything. I was putting the rings I bought for Abby together and asking what ^{Paul} he wanted for dinner. He said burger king. We left Walmart went to Burger king ordered a ~~big~~ #1 a kids meal and a 6pc nugget. We got home all went inside Paul ate in the car so he went to bedroom to have a cig Noah was in living room w/ Abby

I went to bedroom hit a cig a few times then came back out got abby out of her car seat sat on couch beside Noah he was eating his meal I ate few nuggets gave Abby tiny bite gave the rest to Noah. Then Noah helped clean the trash. I made Abby bed time bottle changed her. I fed her while Noah was trying to build the basketball toy from happy meal. He took it in kitchen was aggravated with it threw it in the floor. When Abby was done drinking I put her in her swing and we shut down like usual to go to our room. I was laying in my bed Noah came in room got on bed gave me a hug and kiss. I told him I love him and to go watch cartoons in his bed. We sat up for a lil while I heard Noah in his room I was going to kitchen to get drinks. He was going thru trying to find his tv remote. I told him I hadn't seen it went in his room showed him how to change it on front of box then went back to my room got in bed played Clash of Clans and bubble witch for a little while. We went to sleep around 10. The next morning Paul woke me up around 6:10

like he always does I laid in bed and smoked before I got up. I could hear him he was telling Noah to get out of bed. He said it 3 or 4 times then I guess Noah went into living room a few seconds later I put out cig got up headed out there myself. Noah was on couch talking to Abby like he does every mornin' calling her little cutie. I told him to move and put his shoes and coat on while I changed Abby diaper. I changed her while he was getting ready then ~~was~~ I put Abby in her carseat got my purse. Paul got Abby and we all got in car. We road to Pauls work. I think Noah was sleeping he didn't say anything on way there or back. Then when we got home I pulled in said buddy were home I unlocked Abby's door ~~we~~ ^{got} Abby we all ~~walked~~ walked in together. I got Abby out of her seat put her back in swing in her room. Me an Noah went to my room we usually snug up on couch or in bed after we take Paul. I cut TV on said I was gonna watch shows. Noah said he didn't wanna watch shows that he wanted to go watch cartoons

I told him that was fine Not to bother Abby. He went out I watched a few episodes on demand of Chrisly knows best. Started feeling sleepy fell asleep not sure what time I wasn't watching the clock. Noah came in the room at one point while I was sleeping. I can't remember what time I didn't look at 10:30 Abby woke up started crying the baby monitor cut on woke me up. I hopped out of bed went to living room the front door was open I didn't see Noah I opened the door as I went by to yell at him then got Abby put her on the couch. I may have yelled again before I turned water on it takes while to heat up I made Abba's bottle yelled for Noah and texted neighbor. Was feeding abby she wasn't interested cause her nose is clogged I laid Abby where she couldn't fall off couch went out to yell for Noah I looked down by farm fence yelled went over to brush yelled walked to mr Meadows knocked and rang bell no answer on way back down I saw Neighbor out I had gotten text response that Noah wasn't there I asked her to ask her kids if they

had even seen Noah out this morning. She walked back to door leaned in asked them they said Noah. I walked back down to my house & tried calling Paul sent Paul a text and called 911. I kept calling Paul's phone hoping he'd somehow check it while waiting for police. Police arrived and Mr & Mrs Meadows were out looking I was trying to find an actual Phoenix number so they could tell Paul.
