CONYERS — The Rockdale County Board of Education (BOE) met Monday night to consider a resolution in support of the property tax break for senior citizens.

The Board of Education voted Monday to consider a resolution in support of the property tax break for senior citizens.

The resolution, if approved, would allow the school system’s millage rate to be set at a lower amount for those 65 and older. If the millage rate is reduced, it will provide some tax relief for the county’s seniors, she said.

The board also voted to raise the property tax millage rate to 30 mills for those 65 and older, which will provide some tax relief for the seniors.

“Thank you for your support,” school board President Dr. Ernesto Van Tassell said.

In other business, the board approved a contract for a new principal for Rockdale County High School.
