

CONGRATULATIONS
to the following Cold Hollow Career Center students
that were recognized for their

EMPLOYABILITY SKILLS!

AUTOMOTIVE TECHNOLOGY AWARD

Gavin Leach

PROFESSIONALISM

Gavin has exceptional attendance and is always one of the first students to arrive. He is a precise worker and makes sure jobs are done right.

Dale Snider-Percy

Self-Development

Dale has really turned his attendance around, and is now out job shadowing and plans to get a co-op position.

BUSINESS LEADERSHIP AWARDS

Lakota Hayes

RELATIONSHIP BUILDING

Lakota won the first Human Relations award in the Leadership Training for Students program. She is demonstrating her genuine commitment to strengthening and building positive, win-win relationships in her personal and work life.

Brayden Dragon

Self-Development

Brayden has demonstrated a strong commitment to preparing for his next steps by engaging in college-level learning and taking advantage of opportunities to get out of his comfort zone and explore opportunities for growth.

CONSTRUCTION TECHNOLOGY AWARDS

Missing

Ezra Adriance

PROFESSIONALISM

Ezra has great attendance and workplace habits. He shows up ready to work and takes great pride in the outcome of his craft. Ezra exhibits professionalism both here at Cold Hollow and while out on Co-Op. He communicates professionally with his employers, customers and peers.

FORESTRY + NATURAL RESOURCES

Sullivan King

Self-Development

During the maple unit Sullivan has stepped up into a leadership role, taking charge of projects that need to be completed in a timely manner, working with fellow classmates to help them understand and learn new tasks.

Owen Bean, Ella Kane, Ayden Mayo, Bradyn Eagles

Self-Development

In the past couple months we have been working on a job in Bakersfield that has truly tested all four of my students and made them all step outside of their comfort zone some further than others but this job has definitely made them grow and try new things that they typically would not have done

MEDICAL CAREERS EXPLORATION AWARDS

Madison DeRosia

Critical Thinking

Maddy is excelling in her coursework and is always here ready to work!

Serena Fecteau

Professionalism

Serena SHOWS-UP everyday ready to learn and work. She is focused and would complete any task asked of her. KEEP WORKING HARD!

PRETECH

Skyler Cooper

Critical Thinking

Skyler is being recognized by his peers as a student who excels in generating solutions and analyzing information and situations in PreTech. Great work Skyler!

Eli Mayo

Critical Thinking

Eli Mayo is being recognized by his peers as a student who has grown in the area of critical thinking. Eli has done well on our FFA Competitions this year and continues to excel at generating solutions and working with others.
