Water Main Replacement Project – Garcia Street & Camino Del Monte Sol

Sub Surface Contracting has been awarded the contract to replace the existing 8-inch water main with a new upgraded water line in your area. The project will begin at the intersection of Camino Corrales and proceed east along Garcia Street to Camino Del Monte Sol.

Estimated Duration: Approximately 2.5 months

Work Hours: Monday–Friday, 8:00 AM – 5:00 PM - Starting 8/12/25

Important Information for Residents:

- Please move your vehicles out of your driveway by 8:00 AM each workday until construction has moved past your property.
- Once the crew has completed work in front of your home, this will no longer apply.
- Our crews will be actively digging and may block driveway access during work hours.
- Driveway access will be restored daily after 5:00 PM, ensuring full access in the evenings and on weekends.

We understand this work may cause inconvenience, and we truly appreciate your patience and cooperation. Our team is committed to working efficiently and safely to complete the project — and we will strive to finish ahead of schedule if possible.

Please follow all posted traffic control signs and detour routes.

Thank you,
Sub Surface Contracting
