FY27 General Fund Base Budget Request (\$K)

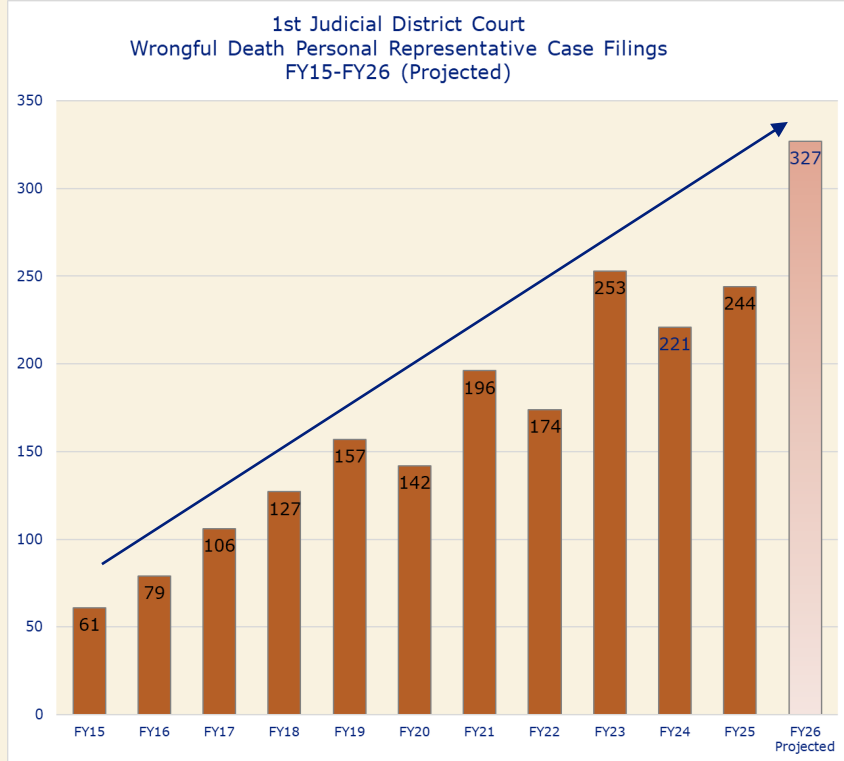

FY26 GF Approp	FY27 Request	\$ Increase	% Increase
\$14,661.7	\$15,777.4	\$1,115.7	7.6%

General Fund Request Summary

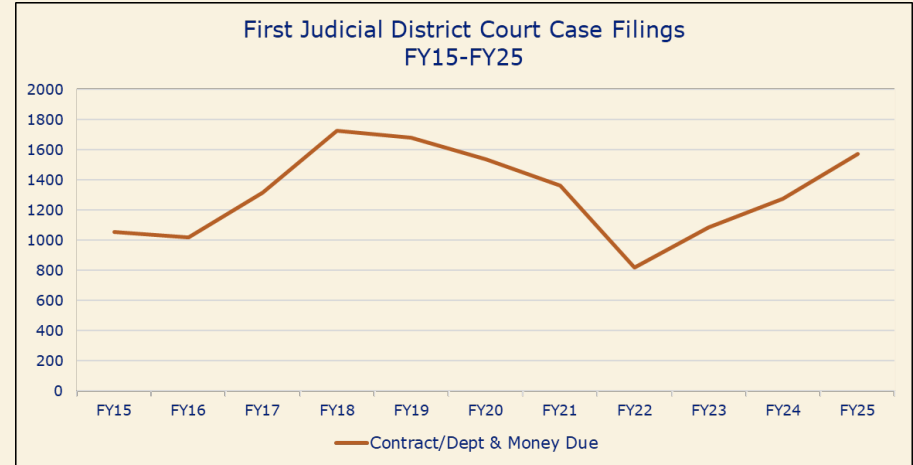

- ❖ Judgeship with associated staff, 3 FTEs:
 - To address the civil caseload, which is substantial due to filing volume and case complexity. \$451.4K
 - Wrongful death, medical malpractice and other complex claims increased significantly over the past five years.
- ❖ Financial Specialist, funding only, no FTEs:
 - To manage increased workload due to the Magistrate Court consolidation and expansion of new programs. \$ 86.6K
- ❖ GSD rates, health insurance & Health benefits funding due to implementation of SB 376 \$577.7K

First Judicial District Court

Judgeship Justification

Wrongful death cases continue to increase. In FY26, from July to October, 109 wrongful death cases have been filed. If this trend continues, we project 327 wrongful death cases will be filed in FY26.

Debt and money due cases are trending steeply higher following COVID and we expect them to return to pre-COVID levels in the near future.

Second Judicial District Court (23200)

Bernalillo County · 30 Judges · 11 Hearing Officers · 401.5 FTEs

General Fund Request

Family Court District Judge & associated staff (No. 1 Priority)

The last time a judge was added to the Family Court was 29 years ago in 1997. In FY25, the Family Court had a total of 9,128 new and reopened cases which is an average of 2,282 cases p/judge.

\$451.4

Pretrial Services Leadworker & Pretrial Services Supervisor

Supports ongoing initiative to move pretrial services to general fund.

\$219.2

Program Specialist (Interpreter Division)

Position critically needed to organize and manage the continuously changing hearing dockets of 41 judicial officers to ensure interpreters are scheduled and canceled timely.

\$88.1

Court Clinicians (2)

Court Clinicians conduct interviews & make recommendations regarding children in high-conflict family court cases related to custody, timesharing and therapeutic services for children and adults (currently there is a 6 to 9-month delay). Clinicians also facilitate a number of classes including Domestic Abuse Prevention; Co-Parenting Education; as well as Mothers and Fathers programs.

\$241.6

Inflationary & Training costs

To cover significant increases in office hardware & software agreements; parking rent; and new costs for the mandatory judicial conclave training.

\$137.0

Second Judicial District Court (23200)

Judicial Specialists Two staff to support the Court Clerk's Office	\$161.4
Administrative Assistant 1s Three staff are needed to take the official records of court proceedings. This would increase the average ratio of available staff to record proceedings from 27 to 30 for 40 judicial officers.	\$218.7
Human Resources Sr. One new staff needed to support the HR Division which has not received any new staff nearly 15 years, despite significant growth.	\$109.0
JS2, AA Supervisor & AA2 Child Support Services Division (CSSD) staff. The work of CSSD staff is very limited under the constraints of the federal grant. Not only is there concern with the long-term availability of federal funds, the limitations make of the grant impede efficient operations.	\$280.2
Total Agency Operational Request	\$1,906.2
GSD Rates, WIP, Health Insurance & Health Benefits SB 376	\$1,929.3
Total General Fund Request	\$3,835.9

Second Judicial District Court (23200)

Special Appropriation/GRO Funding Request

Foreclosure Settlement Program (FSP)

FSP supports specialized settlement negotiations in the Second, Third, Fifth, Sixth, Seventh, Eighth, Ninth and Twelfth Judicial Districts. The FSP assists homeowners and lenders reach mutually agreeable solutions wherein a majority of cases result in loan modifications that enable people to keep their homes.

\$921.2

The program had been funded with non-recurring money from the Mortgage Regulatory Fund, and is now being funded from the Consumer Settlement Fund.

Community Gun Violence Intervention Program

CGVIP is a 16-week psycho-educational program which currently serves justice involved youth. The program focuses on intervention services in the form of education, engagement, treatment and peer-support.

\$138.2

The SJDC has one-time funding through FY26, and needs funding to continue the program.

Assisted Outpatient Treatment

The SJDC launched an AOT program in 2019 through a federal grant. Since the grant lapsed, the program has been funded by the City of Albuquerque. The City does not have long-term funding to support the program, and therefore the Court needs funding in FY27.

\$1,454.0

AOT is a centerpiece program for behavioral health reform in the State. It is anticipated that the recent changes in the statute will significantly increase the utilization of this program.
