Mrs. Guillermo Barela
Box 50 Rt. 1
Las Cruces, New Mexico

Dear Mrs. Barela:

I regret very much that this department does not have any information concerning members of the 200th Coast Artillery who served in the Philippine Islands, except the names of those evacuated from Bataan to Corregidor on or prior to April 9th. In checking this list we do not find the name of your son.

We are all anxious to obtain news of our boys and if any word is received by this office from the War Department, the press will be notified.

Trusting that you will receive good news and with kindest regards, I am

Yours very sincerely,

Governor
