THE WORLD IS YOUR OYSTER. COME SEA.

Escape the upkeep, embrace the ease — a shell of your own in quiet aldea. Three beds up, one tucked low, trails just outside the front door. Savor sunsets from your private deck, city lights twinkling below. Daydream in the walled garden, fountain whispering among the trees. Mini-splits, 2-car garage, downtown minutes away. Simple. Pristine. Lock the door — the world is yours.
