

NEED HELP SAVING ENERGY AT HOME?

Apply for a **FREE** home energy roadmap and energy efficiency improvements through the City of Santa Fe Community Energy Efficiency Development Program

HOME ENERGY UPGRADES MAY INCLUDE:

- Insulation and air sealing
- High-efficiency appliances, lighting, and fixtures
- Health and safety improvements
- Other energy efficiency improvements, as determined by home energy roadmap

DO YOU QUALIFY?

You may be eligible if you...

- ✓ Live in the City of Santa Fe
- ✓ Own and live in your home
- ✓ Receive benefits from a program such as Medicaid, SNAP, TANF, or federal/state disability, OR meet income qualifications for your household size

Household Size	1	2	3	4	5
Maximum Household Income	\$31,920	\$43,280	\$54,640	\$66,000	\$77,360
