MAJESTIC UPPER EASTSIDE ADOBE ESTATE WITH VERDANT GARDENS

DISCOVER THE MAGIC of this classic 4,822 SF pueblo-style 4+1 bedroom / 3.5+1 bath adobe compound on 1.14 acres off Upper Canyon Road – a serene oasis on a cul-de-sac with magnificent views of the Sangre de Cristo and Jemez Mountains. Gated and fenced with private access to protected trails (Dorothy Stewart Trails), the compound's gates swing open to reveal a stream and waterfall surrounded by day lilies, water lilies, irises, and verdant grasses embellishing extraordinary landscaping and gardens (featured in the 1997 Rizzoli book, *Secret Gardens of Santa Fe*). Priced under appraisal. 525CaminoMilitar.com **\$3,350,000.00** MLS # 202502464
