

Marion County School District Child Find

In an effort to locate, identify, and refer all children with disabilities, Marion County School District hosts Child Find. Child Find is an event held once a month designed to provide information and screenings related to services available to children under the Individuals with Disabilities Education Act (IDEA). Additionally, Child Find provides a monthly date for screenings and transition meetings for those children transitioning from Early Intervention Programs (Part C) to Preschool Education Programs (Part B) of the IDEA. For more information or to Schedule a Child Find appointment call Marion County School District at (843) 423-1811 extension 1109.

All Children Deserve a Chance to Reach Their Full Potential.
