

Life in Big Canoe®

PHOTO CONTEST

Picture your work on the cover of the
2026 Big Canoe Directory!

Smoke Signals is sponsoring a photo contest for the Big Canoe Directory, which will be available in January 2026. We are looking for great images of life in Big Canoe to use in the directory — with the first-place image appearing on the front page cover.

The Big Canoe community provides endless opportunities for spectacular images and can be of any amazing place inside Big Canoe of nature, wildlife, or people, including children, enjoying the Big Canoe lifestyle. Just remember, images of children less than 18 years of age must have the permission of the parents/guardians to be published.

Submissions will be featured in the 2026 Directory and may be published in future issues of *Smoke Signals*.

Since the Directory cover will be large (8.5 x 11") it is important to note that your images must be in high-resolution (300 dpi or above, minimum 8" wide). Images should have a vertical orientation (see cover below) to conform to the dimensions of the front cover.

1st Place • \$100.00 | 2nd Place • \$50.00 | 3rd Place • \$25.00

Please Include: Name, Address, Email, Phone and a brief description of your image. Email information to: photocontest@smokesignalsnews.com.

SUBMISSION DEADLINE: Friday October 24, 2025.

All submissions to the contest carry with them the following express permission: They become the property of *Smoke Signals* which retains the right to reproduce them, at its discretion, in any future *Smoke Signals* publication including the directory and/or editions of *Smoke Signals* including special supplements.
