WAITING CHILDREN MINNESOTA

A partnership of Adams Publishing Group and Foster Adopt Minnesota to find homes for kids seeking adoption or foster families.

Ronald, 16, is a bright and joyful youth with a curiosity and heart full of wonder. He is always eager to learn and connect with others. Music is one of Ronald's greatest passions, enjoying the music of Michael Jackson, Prince, and Queen. He loves playing video games, assembling intricate Lego sets, and building various projects. He enjoys basketball, fishing, where he can experience the great outdoors, zip-lining, and exploring playgrounds. In his free time, he has a soft spot for animals and visiting animal shelters.

Ronald

Ronald will need to maintain contact with his sibling and other family members. Inquiries from other states are being considered at this time with preference for homes in MN, WI, and OR.
