

# Today we'll help get your back in action.

**At Fauquier Health,** we assess and treat a range of spinal problems, including those caused by work related or other injuries, genetic abnormalities, and diseases like sciatica. By offering minimally-invasive robotic surgery options, you can expect to get back on your feet sooner due to improved accuracy and safety. Let us design a treatment and rehabilitation plan that will help get your **back** in action, today and every day.
