Have a great day!

Did you get a letter from an alum?

I just sent it to your Regent email. Let me know if I should send it to Dr. Brown.

Yes, email it to him, Regent Jantzen (chair of Academic Affairs Comm) and me

Put us on same email

Ok

only needed one or two deals

I really think you are a great leader for the board and I hope you stay.

Ask [REDACTED] when was the request for the million dollar?

May 28

I need her to talk to me and for her to send you those

not to send you those
documents

I keep being asked what they
did with the CARES money. I
really worry about our future
reputation as a University. I
pray you and Harnice stay on
the board and hold the
President accountable.

I know

Based on your question my assumption is that Brown is trying to cause issues with

[REDACTED]

Of course. Noone knows who is in charge.

Wow!!

Of course you know she is doing what Brown has told her to do

to do.

So sad! He has torn up torn up
KSU's culture!!

I agree. He really has lost a lot
of respect from a lot of people.

Those individuals need to write
a letter to the board citing
examples of the things he has
done that have been
detrimental to KSU's culture
