A Frankfort man accused of fatally shooting 24-year-old Coty Lee Brumback and his dog in a downtown parking garage last Wednesday was indicted on numerous charges, including murder, by a Franklin Circuit Court grand jury on Tuesday.

Antonio Bolling, 40, allegedly shot Baloo,

a blue heeler, before shooting Brumback in the garage located between St. Clair Street and Catfish Alley. The incident stemmed from a heated exchange between the two earlier in the evening, according to police.

"At some point when the victim left the street and went to the parking garage, he was followed — him and his friends — by our suspect and apparently the altercation rehashed," Frankfort Police Department

The Frankfort City Commission on Monday held the first reading of an ordinance that would raise the property tax rate by 0.3 cents, or 1.5%.

The new tax rate would be 19.8 cents for each \$100 of assessed valuation of all real and personal property; 19.8 cents on each \$100 valuation on public utilities and public service companies taxable on a franchise basis; and 15 cents on each \$100 of taxable capital for insurance companies.

The increase would generate approximately \$137,000

The man who died in a Labor Day shooting in East Frankfort Park was a former Kentucky State University football player.

Anthony Hendrix Jr., 25, of Cincinnati, died from multiple gunshot wounds he received at a large holiday gathering in the park. The State Journal has learned that another former KSU football player, Diego Lewis, rented the park's pavilion for the gathering.

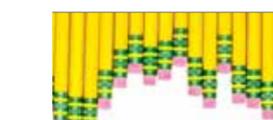

University officials said last week that no school-sanctioned events were held in the park on

Labor Day. KSU sent an email later that night to students and other community stakeholders acknowledging the incident and promoting campus safety tips.

According to KSU's athletics website, Hendrix played in one game last season as a sophomore defensive back. He was credited with one solo tackle and one tackle for a loss against Central State. KSU administrators last week said only that Hendrix was not a current student.
