

# Our Promise To You

- We will strive to provide you with a high level of customer service
- We will treat you with honesty and integrity
- We will put your needs ahead of our own
- We will tell you the truth regarding what to expect from your hearing loss
- We will not over-fit you with technology you don't need
- We will only promise something we can actually deliver
- We will assist you to the best of our abilities
- We will not push you to make a decision you are not comfortable with
