With Angie Huskey's plea to felony fraud charges in federal court, for embezzling \$1.6 million from the school district, the district would like to issue the following statement:

We would like to ensure everyone that when the Grandview R-II School District became aware of possible irregularities relating to the District's internal fiscal controls, we worked diligently and aggressively to determine the nature and scope of the irregularities. An outside audit firm was engaged to fully examine the irregularities. The results of the outside audit investigation were provided to the Federal Bureau of Investigation and the U.S. Attorney's Office and the District fully cooperated during their investigation and prosecution of Mrs. Huskey. The District remains committed to ensuring Mrs. Huskey is held accountable for her actions and that it is fully compensated for this substantial loss.

The district is working to set up a Special Board Meeting to provide the community with details. We will inform the community as soon as the meeting has been scheduled.

Sincerely,
Matt Zoph
