## "Insensitive One Liners"

(now this is some funny stuff!)

I was devastated to find out my wife was having an affair ... but, by turning to religion, I was soon able to come to terms with the whole thing. I converted to Islam, and we're stoning her in the morning!

The wife suggested I get myself one of those penis enlargers, so I did .... she's 21 and her name is Lucy.

Went to the pub with my girlfriend last night. Locals were shouting "pedophile!" and other names at me, just because my girlfriend is 21 and I'm 50. It completely spoiled our 10th anniversary.

Just been to the gym. They've got a new machine in. Could only use it for half an hour, as I started to feel sick, It's great though. It provides me with everything I need - KitKats, Mars Bars, Snickers, Potato Crisps, the lot ..."

Question - Are there too many immigrants in Britain?

- 17% said yes
- 11% said No
- 72% said "I am not understanding the question please."

The cost of living has now gotten so bad that my wife is having sex with me because she can't afford batteries.

A man calls 911 and says, "I think my wife is dead".

The operator says, "How do you know?"

He says, "The sex is about the same, but the ironing is piling up!"

I was explaining to my wife last night that, when you die, you get reincarnated - but must come back as a different creature. She said she would like to come back as a cow. I said, "You obviously haven't been listening."

My husband has been missing a week now. The police said to prepare for the worst. So, I had to go down to Goodwill to get all of his clothes back.

I've heard that Apple has scrapped their plans for the new children's-oriented iPod after realizing that "iTouch Kids" is not a good product name.

There's a new Muslim clothing shop that opened in our shopping center, but they threw me out after I asked if I could look at some of the bomber jackets.

The Red Cross just knocked on my door and asked if we could contribute towards the floods in Pakistan. I said we'd love to, but our garden hose only reaches to the driveway.

Last week I went to sign my dogs up for welfare. At first the lady said, "Dogs are not eligible to draw welfare." So I explained to her that my dogs are mixed in color, unemployed, lazy, can't speak English and have no frigging clue who their Daddies are. They expect me to feed them, provide them with housing and medical care. So she looked in her policy book to see what it takes to qualify. My dogs get their first checks Friday.

Damn, this is a great country!!

I did not see the email until after [redacted] called me and did not reply because I assumed [redacted] passed on to you that I would work. So instead I replied with something I heard yesterday about President elect, Obama. I really think that some people fail to show the leader of our beloved country the proper respect that is deserving of such an honored position by indicating that we shouldn't worry about him being president very long because what black man holds a steady job for four years. Terrible, it's just terrible.

A black woman in New Orleans was admitted into the hospital pregnancy termination.

Two weeks later she received a check for \$5,000.

She phoned the hospital to ask who it was from.

The hospital said, "Crimestoppers."
