

St. Louis County Department of Public Health

Order Regarding Withdrawal of September 27, 2021 Face Covering Order

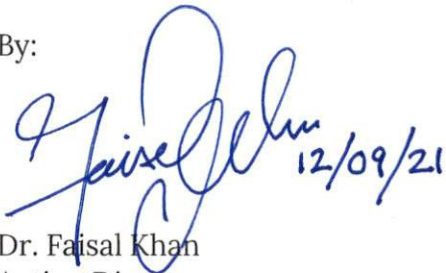

I issued a Face Covering Order on September 27, 2021. On November 22, a Judgment was issued in *Shannon Robinson, et al. v. Department of Health and Senior Services*, Case No. 20AC-CC00515, pending in the Circuit Court of Cole County. The September 27, 2021 Face Covering Order was removed from the County website. It is now rescinded.

On November 30, I recommended that the County Council approve a new Face Covering Order pursuant to Section 602.020.3 SLCRO. On November 30 and December 7, the County Council declined to approve a new Face Covering Order.

I continue to strongly recommend that St. Louis County residents and guests wear masks indoors in public spaces. Masks save lives.

So Ordered this 9th day of December 2021.
