PROBABLE CAUSE STATEMENT

DATE: May 12, 2016

I, Kirk Deeken, knowing that false statements on this form are punishable by law, state that the facts contained herein are true.

1. I have probable cause to believe that Jason Stockley, a White Male DOB: XX/XX/80 Age: 35, committed one or more criminal offense(s).

Count 1: Murder 1st Degree (Class A FELONY) RSMo 565.020

ON 12/20/2011 **Time:** **Place:** 63XX West Florissant Ave.

(SCC 10021)

2. The facts supporting this belief are as follows:

After shooting at the victim A.S.'s car at Riverview and Thekla, the Defendant former police officer Jason Stockley and another police officer chased the victim at speeds over 80 miles per hour. The Defendant was the passenger in the police SUV. While in pursuit, the police SUV crashed, backed up and continued following A.S.'s vehicle. During the pursuit, the defendant is heard saying "going to kill this motherfucker, don't you know it." The victim's car was slowing to a stop. At that time, the Defendant is heard telling the other police officer to "Hit him right now" at which point the driver slams the police SUV into the victim's car. The Defendant then approached the victim's car on the driver's side and shot five times into the car, striking the victim A.S. with each shot. The victim died as a result of the gunshot wounds. A gun was recovered from the victim's car but was later determined by lab analysis to have only the Defendant's DNA on it.
