

While St. Louis Public Schools are moving in the **Right Direction**, the Superintendent is moving in the **Wrong Direction!** She is not following the Missouri Constitution which compels her to meet and negotiate with authorized union representatives.

**The Missouri Constitution
Article 1 Section 29**

Compels negotiation between
employers and authorized unions.

Does St. Louis Need a **Rogue Superintendent?**

Showing no empathy for our Black community recently rocked by the May 16th tornado by announcing the possible closure of at least 30 schools in that same community. Spreading seeds of instability of SLPS just weeks before school should start.

WHAT CAN YOU DO?

Call the St. Louis Board of Education and let them know that you want the Superintendent to meet with the unions to discuss improving student safety, attendance, and test scores.
