

Mark your Calendar for the Laclede's Landing Open House

Laclede's Landing Community Improvement District and Great Rivers Greenway invite you to attend an Open House showcasing all the excitement brewing on The Landing.

Laclede's Landing, downtown St. Louis' oldest district and only riverfront entertainment/dining destination, has attracted nearly \$20 million in new development in recent months, transforming The Landing into a must-visit destination. In the wake of that investment, the Landing is welcoming its first-ever multifamily residential development, dramatically transformed office spaces to suit today's businesses, and more than half-a-dozen new restaurants and special event venues. This Open House will provide a wonderful, one-stop opportunity for guests to get an update on all the new venues, while also getting reacquainted with some of the popular establishments that have called The Landing home for years.

Date: **Wednesday, June 13, from 4 – 7 p.m.**

Location: **612 North 2nd Street, St. Louis, Mo., 63102**
The Landing's Newest Special Event Venue, VUE

Cost: **The event is free and open to the public.**

From VUE's spectacular setting overlooking the newly renovated Gateway Arch grounds and the Mississippi River, guests at the Open House will be able to get a bird's eye view of the enhanced connectivity between The Landing and the Arch grounds, while exploring all the great options Laclede's Landing offers to extend a visit to the Arch into a day full of fun and food.
