Mr. Larry L. Thompson, General Manager
Missouri Athletic Club
405 Washington Ave.
St. Louis, Missouri 63102

Dear Mr. Thompson:

On 1/4/11, Inspector Kevin Huntspon visited your business located at 405 Washington Avenue in response to a complaint of people smoking in the establishment. No one was observed smoking during his visit; however, Food and Beverage Director Joe Dietz admitted that employees and guests were still smoking in the establishment per permission of the General Manager of the Missouri Athletic Club (MAC). Mr. Dietz was given a copy of the ordinance and informed that under the new ordinance, the MAC would not be eligible for exemption. Mr. Dietz said he would forward the information to the Board of Directors.

On 1/19/11, Inspector James Boswell contacted you to find out what the MAC's policy was on smoking. The inspector reported you told him you had been advised by legal counsel that the ordinance does not impact the MAC. You also told him the MAC is a smoke-free club with three smoking areas, including four seats at the Washington Avenue entrance, the Jack Buck Grille, and a smoking area at the employee eating area.

On 1/24/11, Inspector James Boswell returned to inspect your business. During his inspection, the inspector noted people smoking inside the Washington Avenue entrance as well as in the restaurant. He also observed ashtrays set out for use by smokers, and no signage in place. Although the MAC is a private club the ordinance specifically states in Section Seven that the following private clubs are exempt: "Private clubs that have no employees, except when being used for a function to which the general public is invited; provided that smoke from such clubs does not infiltrate into areas where smoking is prohibited under the provisions of this Ordinance." Based on his inspection that day, the following violations of Ordinance #68481 were noted:

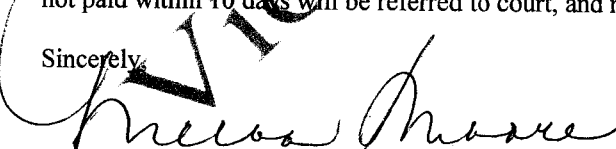

- ☐ Section Four: Prohibition of smoking in enclosed public places
- ☒ Section Five: Prohibition of smoking in places of employment
- ☐ Section Six: Prohibition of smoking in enclosed residential facilities
- ☐ Section Nine: Posting of Signs/Removal of Ashtrays
- ☐ Other: _____

Per Ordinance #68481 Section 12, the following administrative fine is due:
