

A romantic wedding scene at night. A bride and groom are in the foreground, looking up at several glowing, colorful paper lanterns floating in the sky. Other guests are visible in the background, also looking up and celebrating. The scene is set outdoors on a grassy area with trees in the background.

SAVVI — Style —

WHEN TO WEAR WHAT

Once upon a time grooms were bound by strict etiquette when it came to their formalwear. Cutaways in the day time, black or white tie at night. While there's something to be said for tradition, we don't believe you should feel bound by anything as you decide on your wedding formalwear. In fact, we want to empower you to follow your heart and select the style that speaks to your personality as a couple.

Want the old-world feel of a more traditional look? Done. Looking for a more contemporary style? No problem. Thinking about something outside of the box? We can't wait to work with you to make it happen.

Regardless of the style you eventually decide on, Savvi is excited to work with you to make your dream wedding a reality.

A Well Dressed Man *isn't hard to find*

You won't have to look very far to find your well dressed man on your wedding day. We'll make sure you find the perfect style for your groom and his groomsmen.

Savvi combines the latest styles with years of tailoring experience to have your groom looking his very best. We can fit all body types, so that everyone looks and feels their best.

— Advice —

***Real People.
Real Fit.

MAKE SURE YOUR WEDDING TUX FITS PERFECTLY.

Renting a tuxedo online can be a dicey proposition when it comes to how it looks when you finally wear it. We guarantee that your outfit will fit right on your special day—

IT FITS, OR IT'S FREE!*

savvi
**SURE
FIT**
GUARANTEE

*See store for details

We sat down with Sal, a Savvi tailor, to answer any questions that you might have.

Q. *What makes Savvi different from other men's wedding apparel stores?*

A. No other store can offer such a wide range of tuxedo and suit styles, colors and sizes, while at the same time guaranteeing a perfect fit for your entire wedding party. Furthermore, each Savvi location has staff trained in the art of tailoring. Our expertise and experience are what separate us from the competition.

Q. *What's the value of a Savvi tailor, especially when we're just renting?*

A. It is precisely because your groom is renting his wedding tuxedo or suit that a Savvi tailor is important. Men, as everyone knows, come in all shapes and sizes. And if the two of you choose to rent his wedding attire out of a catalog, there is no guarantee that his clothes will actually fit. Because of our fitting expertise, we can guarantee that the tuxedos will fit your groom and groomsmen perfectly. There is just no substitute for trying on your tuxedo, or the hands-on attention of one of our experienced tailors.

Q. *Why is fit so important?*

A. Because this is the most important day of a man's life. Even more, he will never be photographed more than on his wedding day. It is important that he looks his absolute best because, while the rental may only be for

a day, those pictures will last a lifetime. But beyond considering how he will look, you should also consider how he will feel. He will have enough on his plate already without having to be uncomfortable in an ill-fitting tuxedo or suit.

Q. *That makes sense, but how can you guarantee everything will fit perfectly?*

A. We offer a free Groom's Fashion Try-On. Prior to making his selection, your groom is invited to come in to our shop and try on his choice of tuxedo or suit; insuring that the Groom looks his absolute best in the styles that he selected. At this point, we will cover every inch to make sure his outfit fits him perfectly. This leaves us with plenty of time to make any necessary alterations before your big day. Because of our attention to detail, we are so confident that your clothes will fit properly, that we offer a SureFit guarantee. We guarantee, "It fits or it is free."*

Q. *What about the groomsmen? Most of ours live out of state.*

A. We have over 400 locations within our network across North America. And better yet, we offer "Flexible Fitting Options." Let's say his best man lives in the Midwest, but your wedding is on the East Coast. We can fit him there and he can pick it up here. For more details please visit savviformalwear.com.

A full-page photograph of a wedding couple. The groom is on the left, wearing a dark blue tuxedo with a white shirt and a dark blue bow tie. The bride is on the right, wearing a white lace wedding dress and holding a large bouquet of white and pink flowers. They are standing in front of a large, ornate building with many windows, possibly a hotel or a grand estate, with greenery in the foreground.

Suits

Cobalt Brunswick
by Allure Men

While we specialize in tuxedos, we realize that not every wedding occasion calls for one.

Occasionally, couples find themselves gravitating towards suits, as they find it works best for their wedding. However, the last thing they want is for the groom and his groomsmen to show up in the same tired suits they wear to work.

We offer a complete line of formal wedding suits. Our formal suits are designed with the same care and style as our tuxedos, so that your groom will look the part no matter where or when your special day is.
