Introducing and Executive Summary

Market and Feasibility Study Proposed Soccer Complex

- Additional reserved parking for trail and lake users.

St. Louis County Parks developed the following preliminary layout of the proposed soccer complex. The layout includes 13 full-size artificial turf fields, 2 of which are rebuilt turf fields currently leased by the St. Louis Scott Gallagher Soccer Club. The 11 remaining fields would be new artificial turf fields on land currently occupied by natural grass fields and undeveloped land. The proposed layout also includes 2 smaller turf fields suitable for youth soccer matches.

CONCEPTUAL FIELD LAYOUT
