

It is with profound sadness that I am announcing I am stepping down from my position as chief of police for the city of Ferguson Missouri. My resignation will be effective March 19, 2015 to provide for an orderly transition of command.

It has been an honor and a privilege to serve this great city and to serve with all of you.

I will continue to assist the city in anyway I can in my capacity as private citizen.

Warmest regards,
Thomas Jackson
Chief of police
City of Ferguson, Missouri
