¡Adelante, Juntos! For Our Kids, Our Families y El Futuro!

**Sunnyside School Board,
District 2**

I'm a lifelong Sunnyside resident, a mom, and a registered nurse who's been serving families for years in our community. I'm running for school board because I care deeply about our kids, our school, and the future of this community. I want to make sure every student, no matter their background, feels seen, supported, and safe. I come with real-life experiences, common sense, and a strong voice to the table. If you are looking for someone who truly listens and will always put students first. I would be honored to have your vote.

Soy residente de Sunnyside de toda la vida, madre y enfermera titulada, y llevo años sirviendo a las familias de nuestra comunidad. Me postulo para la junta escolar porque me importan profundamente nuestros niños, nuestra escuela y el futuro de esta comunidad. Quiero asegurarme de que cada estudiante, sin importar su origen, se sienta valorado, apoyado y seguro. Tengo experiencia práctica, sentido común y una voz fuerte. Si busca a alguien que realmente escuche y que siempre priorice a los estudiantes, me honraría contar con su voto.

SCAN ME

I'm Sandra Zesati — a proud daughter of immigrants, lifelong Sunnyside resident, wife, and mother of three students in our district.

I'm running for school board because I believe in the power of education to shape our future. I'm deeply committed to creating a positive, inclusive, and supportive environment where every student has the opportunity to succeed.

I will lead with transparency, honesty, and respect. I'm focused on solutions — not division — and I welcome anyone with questions or concerns to reach out directly. Let's rise above misinformation and engage in meaningful dialogue.

If you or your organization would like to endorse or support this people-powered campaign, please reach out. Together, we can build a stronger Sunnyside for all our families.
