

Ms. Tina Jenkins -

My name is ROBERT GLEASON (Bobby) and you were called to be a jury member for my capital murder case. Please don't be scared & think I'm out to get you. I just want to inform you that my attorneys keep making terrible mistakes & I'm tired of it.

One of these mistakes is they gave me everyone who was called for a jury pull their info. NAME, ADDRESS, SS#, EMAIL, KIDS, etc etc.

To prove they gave me your info I'll tell you a little about what you wrote & if you want this paper write me back & I'll give it to you for evidence in a civil matter. You were 36 when you filled this out on 4-16-10, your SS# is _____ (I won't put the last 4 but I have it) you cut hair at _____ in _____ your son is _____ & daughter _____ as of 4-16-10. Is this enough proof for you? You had a case settle out of court on a car accident.

Bring this letter to that lawyer cause you have a lawsuit. ~~My lawyers were sent info about the case & they were~~

My beef is if I get your info what are they doing with my family info.

(2)

To make you feel I'm not out to mess with you I'll give you info on me. I have 2 sons that lives in _____ & his mother owns a tattoo shop in _____ called _____

tattoos on _____ I looked 2 tattoo shops before I came to prison. I have 2 sons a daughter and a year old grandson. I'm 40 years old & not getting out anytime next year.

You know if this info got into the wrong hands instead of me, some one could wipe out your bank account or put things in your name etc, etc, etc.

I read your a widower & have 2 kids. You don't need that kind of crap. I do like you =: NAME name "Blueeyes" anyway - I'm sure you check my case & read the paper. The reporter is changing / finishing the story. She has proof that I'm not trying to die & on a death mission. If you get May 24, 2010, out transcript of me you'll see what I said compared to what was in the paper. Its not that they did a bad story, they couldn't print the rest until they had proof - She is a great reporter -

I will be bringing your paper & a
of other to court and show the Commonwealth
attorney Ron Elkins. You should not sta
by & let this go. This is a major NO NO
the court system.

~~You~~ I've done alot of bad in
my life but it doesn't make me a bad per
I'm sure alot of people wouldn't agree to
but there is alot of people that say I'm
a good person. The photo in the paper is
we look old. My beard is gone & my hair
short again. You see, we're lock up 24/7
- nothing to do. (MY FAULT) So I stop shaving
stop cutting my hair. My daughter wanted
me to get a hair cut to look like I do
I was out. Now she will be happy.
I will hold your info & mail it to you & I
send it now but I don't know if your
address is good or not. If your to freak
out that I wrote you & don't want to see
me back call Ron Elkins & ask if I can
give it to him. I hope I didn't weird you
out. Have a good -

See ya -

Bobby from
