22901 Banducci Road  
Tehachapi, CA 93561

**Greater Tehachapi Region 2020 Regional Urban Water Management Plan (RUWMP) and Water Shortage Contingency Plans (WSCPs)**

Dear Mr. Neisler,

We have appreciated the opportunity to work with the Greater Tehachapi region on the update of the RUWMP and WSCPs. However, due to the unexpected conflicts between participating agencies, we feel that we are unable to complete the work in a way that would not result in a conflict of interest. Therefore, we are hereby providing 30-day notice of our intention to terminate services with the District under Article 18.1 of our Agreement.

In June 2023, we provided draft RUWMP documents including WSCPs to each participating agency. We have completed no work on the project since July 2023. We have fully invoiced and been paid for services provided to date. We will provide copies of completed work products (word documents, pdf, and excel files) via email upon request.

We apologize for any inconvenience that this may cause.

Sincerely,

Dan Cronquist, PE  
Department Manager
