EXPLANATION

16 The inclusion of this explanation does not constitute agreement with
17 the explanation's substance by the members of the general assembly.

18 This bill modifies the rebate of state sales tax to the owner
19 or operator of a baseball and softball tournament facility and
20 movie site.

21 BACKGROUND. 2012 Iowa Acts, chapter 1098, enacted a sales
22 tax rebate to the owner or operator of a baseball and softball
23 tournament facility and movie site (facility). In order to
24 be eligible for the rebate, the facility must be located on a
25 maximum of 279 acres and located inside or within three miles
26 of the city limits of a city with a population between 4,000
27 and 5,500, which is located in a county with a population
28 between 93,000 and 100,000. Construction on the facility
29 must commence not later than July 1, 2013, and the cost of
30 construction must be at least \$38 million.

31 The rebate only applies to state sales tax collected at
32 the facility between January 1, 2014, and December 31, 2013.
33 The rebate ceases if control of the facility changes. The
34 rebate provision is repealed June 30, 2024, or 30 days after a
35 total of \$16.5 million has been rebated, or 30 days following

1 the change of control causing the rebates to cease, whichever
2 occurs earlier.

3 CHANGES IN BILL. The bill changes the name of the qualifying
4 "baseball and softball tournament facility and movie site"
5 to a "baseball and softball complex" (complex) and changes
6 the requirements to qualify for the rebate. A complex will
7 qualify for the rebate if it is located in this state, has
8 a project completion date that is after July 1, 2015, and
9 has construction costs of at least \$10 million. "Project
10 completion date" is defined in the bill to mean the date on
11 which the complex is placed into service.

12 The bill removes the requirement that the legal entity
13 that is the owner or operator of the complex be a for-profit
14 legal entity, and further modifies the percentage-of-ownership
15 requirements for qualification as an owner or operator and
16 for the occurrence of a change of control to specify that the
17 percentage is calculated using the equity interests or voting
18 interest owned or controlled by Iowa residents. Under current
19 law, the calculation only considers equity interests owned by
20 Iowa residents.

21 The bill changes the availability of the rebate for each
22 complex to specify that the rebate only applies to sales tax
23 collected for the 10-year period beginning on or after the
24 complex's project completion date.

25 The bill specifies that any one complex cannot receive more
26 than \$2.5 million in total rebates. The bill changes the
27 repeal date of the rebate provision to provide that the rebate
28 is repealed 30 days after a total of \$16.5 million has been
29 rebated.
