PROBABLE CAUSE:

On October 21, 2015, at approximately 3:30 p.m., the Crawford County Sheriffs Department received a report of an unresponsive subject at the Wasabi Restaurant, located at 37505 State Highway 18, in the town of Bridgeport, Crawford County, Wisconsin. Crawford County Sheriffs Department Deputies Doug Olson, James Hackett, and Lieutenants Wade Hutchison and Ryan Fradette, along with city of Prairie du Chien

STATE OF WISCONSIN - VS - Thomas Joseph Lewis Wilkins

Police Officer Casey Cox, all officers known by your Complainant as reliable, responded. Emergency Medical Services was dispatched to this location as well.

Upon arrival, Lt. Fradette observed EMT's providing treatment to a male subject later identified as Young Su Kim. Mr. Kim was unresponsive and displayed visible and apparently severe injuries about his head and face. Mr. Kim was transported to Crossing Rivers Health and subsequently med-flighted to Gunderson/Lutheran Hospital in LaCrosse Wisconsin due to the severity of his injuries.

Lt. Fradette stated that an employee of the Wasabi was present and stated that at approximately 3:30 p.m. that day, he reported for work and found Mr. Kim unconscious in the restaurant. Lt. Fradette stated after Mr. Kim was transported to the hospital, he looked through the restaurant and observed a significant amount of blood on the kitchen floor and an article of clothing that contained blood stains. Lt. Fradette stated that in the dining area, he observed property damage, which included a large window that had been broken, electronics that had been broken, and a table that had been tipped over. Lt. Fradette also noted that near the front office area, property and a desk was in disarray.

On the outside of the restaurant, Lt. Fradette observed, among other things, loose coins scattered around the parking area. Lt. Fradette also discovered a blaze orange shirt with reflective striping with the word "Railworks" in black lettering on the ground on the north side of the restaurant, near the door that leads directly into the kitchen.

Lt. Fradette states that it was determined, through investigation, that employees of a company entitled "Railworks" were staying at the Microtel Hotel. Lt. Fradette and other officers responded to this hotel that same day and identified the foreman of Railworks, who identified his crew as a Kellen Jeffords, Thomas Wilkins, and Jacob Erwin.

Your Complainant states that Lt. Fradette spoke to Mr. Jeffords. Mr. Jeffords stated that he had eaten dinner at Wasabi the evening prior. Mr. Jeffords stated that he recalls that two (2) of his co-workers joined him for dinner and drinks. Mr. Jeffords stated that he had no recollection of events after this due to his level of intoxication.

Your Complainant states that Lt. Fradette spoke to Mr. Erwin. Mr. Erwin stated that he and Mr. Wilkins met Mr. Jeffords for dinner and drinks at the Wasabi restaurant the evening prior. Mr. Erwin stated that after dinner, he, Mr. Jeffords, Mr. Wilkins, Mr. Kim, and another male subject went into downtown Prairie du Chien to go to a bar and have some drinks. Mr. Erwin stated that after leaving the bar, they gave Mr. Kim a ride back to Wasabi and dropped him off.

Your Complainant states that Lt. Fradette spoke to Mr. Wilkins. Mr. Wilkins also stated that the evening prior, they were all having dinner at Wasabi and that after dinner, they all, including Mr. Kim, went to a bar in Prairie du Chien for drinks. Likewise, Mr. Wilkins stated that after they left the bar in Prairie du Chien, they dropped Mr. Kim off at Wasabi.

Your Complainant states that in a subsequent interview with Mr. Erwin, Mr. Erwin stated that after he and Mr. Jeffords and Mr. Wilkins dropped Mr. Kim off at Wasabi, Mr. Wilkins

STATE OF WISCONSIN - VS - Thomas Joseph Lewis Wilkins

punched Mr. Kim in the face, causing Mr. Kim to be unconscious. Mr. Erwin stated that one of them took Mr. Kim's keys and attempted to gain entry into Wasabi, but were unable. Mr. Erwin stated that he then broke out the window, gained entry, and unlocked the door. Mr. Erwin stated that Mr. Kim was dragged or carried into the restaurant. Mr. Erwin then observed Mr. Jeffords kick Mr. Kim in the face while Mr. Key was lying on the floor in the kitchen.

Mr. Erwin stated that while he was in the kitchen area, he observed Mr. Wilkins in the main part of the restaurant, damaging things and "burglarizing" the restaurant. Mr. Erwin stated that he left the restaurant and began walking back toward the hotel.

Mr. Erwin stated that Mr. Jeffords and Mr. Wilkins picked him up in their vehicle a short distance away. Mr. Erwin stated that the cash register from the Wasabi was in the vehicle. Mr. Erwin stated that they pulled into an area behind a hotel somewhat across the highway from Wasabi and attempted to open the cash register. The statements from Mr. Erwin are reliable as they are against his interest.

Your Complainant states that Crawford County Sheriffs Department Lt. Jaden McCullick and Sgt. Phil Baumgartner, both officers known by your Complainant as reliable, responded to the Bridgeport Inn, a hotel located on the opposite side of the Wasabi and in the general vicinity. Your Complainant states that many loose coins and parts from a cash register were found in a cornfield behind the Bridgeport Inn. Your Complainant states that the remains of the cash register were found later that same day along a road in the general area of the Microtel.

Your Complainant states that Lt. Fradette has attempted to keep in contact with Mr. Kim, however due to his injuries and medical condition, Mr. Kim is unable to communicate. Your Complainant states that he was able to secure a portion of the medical records for Mr. Kim from Gunderson Health System. Your Complainant states that he, as well as Lt. Fradette, have relied on these medical records in the past and have found them to be reliable.

Your Complainant states that among the injuries sustained by Mr. Kim were an intracranial bleed, including a subdural hematoma; subarachnoid hemorrhages more prominent in the right cerebral hemisphere of the brain; and fractures about the nose and face. Your Complainant notes that the records indicate: "Critical care was required due to acute hypoxic respiratory failure". One of the lungs lobes was completely collapsed. Your Complainant states that Mr. Kim remains hospitalized.

Based on the foregoing, the complainant believes this complaint to be true and correct.
