MEMORANDUM

To: LHSAA Principal / Athletic Director / Parish Athletic Director
Superintendent / Head Coach

Subject: LHSAA Alpha List / Member School Designation / Select / Non-Select

From: LHSAA Executive Director / Eddie Bonine 

Date: June 6, 2022

As stated in my Friday, June 3, 2022 communication, we are providing you with the attached LHSAA Alpha List for Member School Designation for Select and Non-Select post season participation beginning in the Fall of 2022-2023 school year. As mentioned in the June 3, 2022 communication, once you have reviewed the alpha list, if you feel as though you have been placed in either select and/or non-select incorrectly and/or your designation may change due to recent parish policy change, you will have 15 calendar days, until June 21, 2022 to submit in writing to this office describing your reasoning why you feel as though your designation is inaccurate and/or describing parish policy changes addressing your designation. Please submit your written appeal to LHSAA Executive Administrative Assistant, Ms. Kathie Smith ksmith@lhsaa.org. To date, the following have been the frequently asked questions:

Question: Will there be re-districting?

Answer: No. Basic playing districts approved for the 2022- 2024 classification will not be affected.

LHSAA... Beyond the Game

Question: Will there be a need to re-schedule games?

Answer: No. Select and Non-Select is strictly for post season competition.

Question: When will we see the “Division Sports” assigned divisions (*i.e.*) football, basketball, softball, and baseball? *AND* how many divisions will there be?

Answer: Once a member school’s appeal(s) has been reviewed by the LHSAA Executive Committee and a final designation has been approved by them in July 2022 this office will prepare and disseminate in a timely manner. Shortly thereafter, those division sports will be assigned accordingly.

In closing, as mentioned in the June 3, 2022 communication, once the alpha list is formed and approved, staff will prepare and present to the LHSAA Executive Committee any/all adjustments to both select and non-select post season brackets and any/all qualifying factors therein. Once this process is completed, any/all updated information will be disseminated to membership.
