PROBABLE CAUSE IS BASED ON THE FOLLOWING FACTS:

On Sept 12, 2017, at 2232 hours, Uniform Patrol was dispatched to 3400 block of Florida Blvd, in reference to a deceased b/m in the roadway. It appeared as he sustained several fatal gunshot wounds. Homicide detectives learned from eye witness accounts that a w/m subject wearing dark clothing exited a small red 4 door vehicle and approached the victim at a bus stop. The white male subject then fired a handgun at the victim several times shooting the victim which caused his death. The white male subject then re-entered the same red vehicle and fled the scene.

On Sept 14, 2017, at 2308 hours, Uniform Patrol responded to a shooting victim at 3014 Alaska Street. During the investigation detectives learned that a w/m subject operating a red vehicle that matches the description for the homicide that occurred on September 12, exited the vehicle and shot the b/m victim. The subject was described wearing dark clothing on both incidents and driving a red car.

Detectives then canvased the area on both homicides for video surveillance and discovered video of a w/m subject operating a red vehicle. This vehicle appeared to be a red Ford Focus, 4 door, and a w/m subject was operating the vehicle. The vehicle on video was in the immediate area during the same time frame of the first homicide. In additional the w/m subject was observed on video removing the license plate from the vehicle during this period. Detectives also observed in the video footage that the vehicle had a noticeable dent in the driver's side rear bumper. It also had a decal of an American flag just left of the license plate.

On 9-16-17, at approx 1500 hours, Uniform Patrol Officers observed a red Ford Focus at the Hammond Aire shopping center 9000 Airline Hwy, that matched the description of the suspect's vehicle and conducted a traffic stop. The white male subject who was operating the vehicle was detained for questioning. Homicide Detectives arrived shortly thereafter and observed that the vehicle was a positive match to that of the video surveillance of the first homicide. Upon contacting the w/m subject he informed Detectives that he resided at 5144 Sandy Ridge Baton Rouge, La with his mother.

Detectives need to search this residence to locate any firearms, ammunition, clothing, DNA, or any other evidence that may be related to these two homicides to further the investigation.
