

School System and State Graduation Rates (2005-2006 to 2018-2019)

The Louisiana Department of Education has modified and/or suppressed data reported to protect the privacy of students in compliance with the Family Educational Rights and Privacy Act (FERPA) codified at 20 U.S.C. 1232g. The strategies used to protect privacy vary and may include rounding or other techniques but do not substantially affect the general usefulness of the data. Because of the privacy protections, numerical and percentage totals may not add precisely to the sum of the row or column to which the total refers. ~ indicates statistically unreliable (i.e. Less than 10 students). NR indicates data not available.

**School Systems that were heavily impacted by the hurricanes of 05-06 do not have graduation cohort results from 2005-2006 to 2008-2009. These districts are Cameron, City of Bogalusa, Orleans, Plaquemines, RSD-New Orleans, and St. Bernard. Jefferson requested that their graduation data be included beginning with their 2008 reports, and BESE granted the request.*
