(NON-PERTINENT CONVERSATION)

1 McCLAIN: Uh so I, I generally uh, Stephanie, Travis already knows
2 this, but I generally never refer to the speaker. I just
3 say our friend.
4
5 SHEA: Sure.
6
7 VOJAS: Okay.
8
9 McCLAIN: -its uh, it's just more, it's easier because um, um I'll
10 never forget there's one time one of the ComEd people
11 were at a coffee shop, and it was the Speaker this, and
12 the Speaker that, and the Speaker this, the Speaker that
13 and the, right next to her at the table was Tiffany
14 Madigan.
15
16 VOJAS: Oh (laughs).
17
18 McCLAIN: And so suffice it to say, about two weeks later she was
19 no longer working for ComEd.
20
21 VOJAS: Oh wow.
22
23 McCLAIN: (Laughs.) And so um, the um, so if you just say our
24 friend, no one really knows what we're talking about
25 so. So, uh that's the way I'm gonna talk, if that's
26 okay?
27
28 VOJAS: Our, our friend is a great person, so.
29
30 McCLAIN: (Laughs.) So our, our friend, uh, knows that you can't
31 do all nineteen, or twenty-two. Uh, h-he knows also that
32 you're probably gonna, uh, tier it with some of your
33 clients. Some clients maybe could do two hundred here

34 and five hundred there and a thousand there and it, but
35 that not all of 'em are gonna get five hundred or not
36 all of 'em are gonna get a thousand or probably not all
37 are gonna get two hundred. Um, also know that probably
38 in some instances you're, uncomfortable, contributing
39 to um uh, uh, a, a, uh, existing republican incumbent
40 house member. But I, I got on a call with a person Sunday
41 and that person said, "Ah no it, we know he's always
42 against this, I'm happy to contribute against him." I
43 said okay, okay. Well alright, I didn't know that so.

44
45 VOJAS: (Laughs.)

46
47 McCLAIN: So I mean it's, everybody's different but just know
48 that, that, uh, that our friend's just glad that you're
49 agreed to do it and um, and um, um, and there, there,
50 there are no expectations on how many or how much, so-
