State of North Carolina
Department of the Secretary of State

ELAINE F. MARSHALL
SECRETARY OF STATE

November 2025

As North Carolinians head into the season of giving, the NC Department of the Secretary of State is issuing the Charitable Solicitation Licensing (CSL) Division's 2024-2025 Annual Report. This report includes financial information related specifically to those charities and nonprofits that use a professional fundraiser and that are otherwise required by law to register with the CSL Division.

North Carolinians responded to solicitations from professional fundraisers in the gross amount of \$48,139,520 between July 1, 2024 and June 30, 2025. This is a \$21 million increase over the 2023-2024 fiscal year's report. A total of \$35,876,798 of the money donated in 2024-2025 went directly to the charities for which the campaigns were being conducted, resulting in an average 74.53% return to charities for each dollar donated. This represents an increase of \$19 million in donated dollars going to charities' programming, and a 13.81% increase in the aggregate percentage going to charitable programs rather than fundraising and administrative costs.

The increase in this year's report is also due in part to fundraising activity of groups involved in economic development and civic issues that may not fit into the traditional connotation of "charity" typically associated with this report, but that are subject to the same reporting requirements. A total of \$10,871,511 of gross receipts in giving resulted from campaigns for four economic development organizations across North Carolina (the Surry County Economic Development Partnership, Raleigh Chamber, Rowan Growth Partners, and Craven 100 Alliance).

The news is also good regarding data reported to our office from national solicitation campaigns that included North Carolina residents in 2024-2025. Such multi-state or national campaigns reported raising \$1,076,961,244 in total giving. Of that total, charities netted \$838,419,263, or 77.85%, an 11.78% increase from the aggregate percentage that went to charitable services in the 2023-2024 fiscal year.

As a consumer, you have the right to know how your donated dollars will benefit the charities you support. The percentage return per dollar for each individual solicitor campaign conducted and reported to CSL is included in this report so that you can make the most informed giving decisions.

As North Carolina's top regulator for charitable solicitations, I hope you will find the information included in this report to be a valuable resource for you. I thank our state's giving public for your continued generosity in this challenging year.

Yours Truly,

A handwritten signature in cursive script that reads "Elaine F. Marshall".

Elaine F. Marshall

Section One:

Executive Summary of Professional Solicitor Activities

The Executive Summary serves as an overview of the percentage of contributions charities receive from professional fundraisers. This information has been entered from final accounting reports filed by the fundraisers with the Charitable Solicitation Licensing Division. Some final accounting reports filed with the Department reflect planned giving campaigns that may not immediately realize results.

This section of the Annual Report reflects two significantly different sets of data. The first set of data reflects reported solicitation activities and contributions solely from North Carolina citizens. The second set of data in this section reflects data reported for national solicitation campaigns that include North Carolina citizens. Individual final accounting reports provided by a filing organization should be consulted to obtain the most complete and thorough information.

To make the report the most useful to consumers it is provided in two versions. One is sorted by solicitor name and the other by charity name.

To obtain a copy of a final accounting report on record with the Charitable Solicitation Licensing Division, go to www.sosnc.gov, click on "Division", and then under "Charities" click on "Search Our Registry." In the Search box, enter the name of the professional solicitor whose financial information you seek. Once the "Search Results" page appears, scroll down, and under "Filings", click on "Campaign Final Reports". Go to the most recent year's filings by scrolling down to the last document, click on the "Doc ID Number. If a final accounting report is on file, it will appear in the filing under the title "Final Accounting." You will be able to view a PDF version of the final accounting report on file with the Department.

(Note: The information in this section does not include data representative of staff level fundraising professionals employed directly by charitable organizations in the State.)

Section Three:

Exempt Organizations

North Carolina General Statute Chapter 131F provides for a number of exemptions from the licensure. To obtain an exemption, a charitable or sponsor organization may submit to the Department a written request for exemption with supporting documentation. Upon approval of the exemption request, the charitable organization will receive a letter of exemption from the Department. A charity may be exempt, but not be included in this Registry if it has not requested an exemption from the Department. The Department has the authority to review and/or cancel an exemption at any time for good cause.

The following report of exempt organizations under NCGS 131F-3(3) on file with the Department includes a column labeled “Exempt No.” The numbers in that column correspond to the exemptions listed below.

131F-3(1)	Any person who solicits charitable contributions for a religious institution.
131F-3(2)	Solicitation of charitable contributions by the federal, State, or local government, or any of their agencies.
131F-3(3)	Any person who receives less than fifty thousand dollars (\$50,000) in contributions in any calendar year and does not provide compensation to any officer, trustee, organizer, incorporator, fund-raiser, or solicitor. <i>(Note: This exemption requires an annual review of an organization's financial information by the Department.)</i>
131F-3(4)	Any educational institution, the curriculum of which, in whole or part, is registered, approved, or accredited by the Southern Association of Colleges and Schools or an equivalent regional accrediting body, and any educational institution in compliance with Article 39 of Chapter 115C of the General Statutes, any foundation or department having an established identity with any of these educational institutions, and any organization with a membership that is composed solely of 20 or more educational institutions as defined in this Chapter.

Exemptions under 131F Continued

131F-3(5)	Any hospital licensed pursuant to Article 5 of Chapter 131E or Article 2 of Chapter 122C of the General Statutes and any foundation or department having an established identity with that hospital if the governing body of the hospital, authorizes the solicitation and receives an accounting of the funds collected and expended.
131F-3(6)	Any noncommercial radio or television station.
131F-3(7)	A qualified community trust as provided in 26 C.F.R. § 1.170A-9(e)(10) through (e)(14).
131F-3(8)	A bona fide volunteer or bona fide employee or salaried officer of a charitable organization or sponsor.
131F-3(9)	An attorney, investment counselor, or banker who advises a person to make a charitable contribution.
131F-3(10)	A volunteer fire department, REACT (Radio Emergency Associated Communications Teams), rescue squad, or emergency medical service.
131F-3(11)	A Young Men's Christian Association or a Young Women's Christian Association.
131F-3(12)	A nonprofit continuing care facility licensed under Article 64 of Chapter 58 of the General Statutes.
131F-3(13)	Any tax exempt nonprofit fire or emergency medical service organization involved in the sale of goods or services that does not ask for a donation.

(Note: Some organizations in this list have an "SL" number in the License column rather than an "EX" number. This indicates the organization at one time had a charitable license but now qualifies for an exemption under N.C.G.S. § 131F.)

Section Four:

Professional Fundraisers Registered in North Carolina to Act on Behalf of Charitable or Sponsor Organizations

A professional fundraiser generally is a person or organization that is paid by a charitable or sponsor organization to raise money on the charity's behalf. The for-profit business usually arranges a flat fee or charges the charity a percentage of the donations collected on the charity's behalf.

(Note: The information in this section does not include data representing fundraising/development staff members employed directly by charitable organizations. This data includes only fundraising professionals that are contracted by charitable or sponsor organizations and are not members of the charity's staff.)

The Charitable Solicitation Licensing Division maintains a registry of professional fundraisers licensed to act on behalf of organizations soliciting North Carolina residents using a charitable or civic appeal. There are two types of professional fundraisers defined by N.C.G.S. §131F.

A **Fundraising Consultant** is a professional who is paid to advise a charity or sponsor organization on its fundraising activities, but does not solicit contributions directly and does not at any time have custody or control of contributions.

A **Solicitor** is any person who, for compensation, does not qualify as a fundraising consultant and either: 1) performs any service, including the employment or engagement of other persons or services, to solicit contributions for a charitable organization or sponsor, or 2) plans, conducts, manages, consults, whether directly or indirectly, in connection with the solicitation of contributions for a charitable organization or sponsor. A solicitor in North Carolina is required to obtain a bond with a surety authorized to do business in North Carolina and to which the solicitor is the principal obligor.

The following list of those professional fundraisers who have a current license to conduct business with charities or sponsor organizations in North Carolina is divided into two sections: 1) Fundraising Consultants, and 2) Solicitors.

Contracts Submitted by Solicitors Conducting Solicitation Campaigns in North Carolina

Solicitors are required to file with the Department a copy of each contract with a charitable or sponsor organization along with a Final Accounting Report for the solicitation campaign.

The following is a list of submitted contracts indicating the fixed percentage of gross revenue the charitable organization will receive as a benefit from the campaign, or a reasonable estimate of the percentage of the gross revenue the charitable organization will receive as a benefit from the campaign, or the guaranteed minimum percentage of the gross revenue the charitable organization will receive as a benefit from the campaign.

In some cases, a charity has entered into more than one contract with the same solicitor in the time period covered in this report. In this instance, the reader will see multiple entries for the charity and the solicitor; however, the details of the contract may vary.

Section Six:

Charitable or Sponsor Organizations Filing an Optional Audited Financial Statement

Audited financial statements are not a requirement under N.C.G.S. §131F; however, they are strongly recommended. Such statements provide the public with a wealth of information that can be used to make knowledgeable and informed giving decisions. The Department includes in the Annual Report a list of those charitable or sponsor organizations opting to submit an audited financial statement or an audit with opinion prepared by an independent Certified Public Accountant.

To obtain a copy of an audited financial statement on record with the Charitable Solicitation Licensing Division, go to www.sosnc.gov, click on “Divisions”, and then under “Charities” click on “Search Our Registry.” In the Search box, enter the name of the Organization whose financial statement you seek. Once the “Search Results” page appears, under “Action”, click on the folder symbol to access the file. Go to the most recent year’s filings and click on the folder icon. If a financial statement is on file, it will appear in the filing under the title “Audit.” You will be able to view a PDF version of the financial statement or audit on file with the Department.

Section Seven:

Enforcement Section

A function of the Charitable Solicitation Licensing Division (CSL) of the North Carolina Department of the Secretary of State is to enforce the Charitable Solicitation Act found at Chapter 131F of the North Carolina General Statutes and the related Rules found in Chapter 11 of Title 18 of the North Carolina Administrative Code. Enforcement actions are taken on behalf of the citizens of North Carolina in the public interest. In response to internal leads and concerns and inquiries from the public and the media, the CSL Enforcement Section conducts investigations to determine whether violations of the Charitable Solicitation Act and relevant Rules have occurred. Areas of investigation include, but are not limited to, appropriate public disclosure of a charitable solicitation; how charitable organizations and the professional fundraisers they employ solicit charitable contributions; solicitations made by charitable organizations without a valid, current license; contractual relationships entered into by unlicensed professional fundraisers; and whether solicited funds are being used for the purpose(s) represented by the charity and expected by the public.

This section of the Annual Report includes the following information for the current reporting period: (1) overall investigation statistics for the Enforcement Section that includes the number of complaints per violation received by the CSL Division, (2) a grid outlining possible statutory violations, with a summary of CSL enforcement actions completed, and the current status of investigated organizations, and (3) a summary of the number of enforcement compliance actions concluded.

Section 7A:

Investigative Report

The North Carolina Charitable Solicitation Licensing (CSL) Division is responsible for ensuring that charitable organizations and fundraisers operating within the state conduct their activities in a lawful, transparent, and ethical manner. As part of this mission, the Division investigates complaints submitted by the public, donors, or other stakeholders regarding potential violations of the North Carolina Charitable Solicitations Act.

A complaint investigation within the CSL Division aims to determine whether a charitable organization, sponsor, fundraiser, or solicitor has engaged in misleading practices, failed to comply with registration requirements, or otherwise acted contrary to state laws and regulations. Each investigation is conducted with fairness, confidentiality, and impartiality, involving the collection and review of evidence, interviews with relevant parties, and verification of records and financial reports.

Through these investigations, the CSL Division upholds accountability within the charitable sector, protects the interests of donors, and promotes public confidence in charitable giving across North Carolina.

During the reporting period 2024-2025, the Division received a total of **106 complaints**. Each complaint was carefully reviewed and investigated to determine whether a violation of the **North Carolina Charitable Solicitations Act** had occurred. The outcomes of these investigations are summarized below:

- **9 complaints** – No violations found
- **27 complaints** – Outside the Division’s jurisdiction
- **7 complaints** – Organizations obtained licenses following investigation
- **7 complaints** – Organizations determined to be exempt from licensure
- **3 complaints** – Duplicate submissions
- **1 complaint** – Withdrawn by complainant
- **8 complaints** – System or data entry errors identified
- **1 complaint** – Concerned a Facebook page that appeared to represent a nonprofit located in North Carolina. Upon investigation, CSL found no evidence of any NC locations and confirmed that the Facebook page did not belong to the nonprofit.
- **1 complaint** – Funds collected were determined to come exclusively from group members, not the general public; therefore, no violation was found.
- **1 complaint** – No evidence found of the nonprofit soliciting or accepting donations from North Carolina residents.

- **1 complaint** – No evidence of solicitation identified; the organization’s website was inactive, and no financial history was found.
- **1 complaint** – The organization voluntarily withdrew its registration
- **1 complaint** – The complainant failed to provide documentation or respond to follow-up requests from CSL.
- **4 complaints** – Submitted without an attached complaint form; insufficient information to proceed.
- **1 complaint** – Complaint form was incomplete.
- **1 complaint** – The complainant was anonymous, and CSL was unable to obtain additional information.
- **1 complaint** – Alleged that an organization made statements explaining its definition of fascism; no solicitation issue was identified.
- **1 complaint** – Concerned a for-profit business alleged to be soliciting; for profits are allowed to solicit for the business.
- **30 complaints** – Current active

These results reflect the Division’s ongoing efforts to ensure that all charitable organizations operating within North Carolina adhere to applicable laws and standards. It is the intent of the General Assembly to prohibit deception, fraud, and misrepresentation in the solicitation and reporting of contributions.

§ 131F-2. Definitions.

The following definitions apply in this Chapter:

- (1) "Association" means any voluntary statewide organization of persons for common ends especially as in an organized group working together or periodically meeting because of common interests, beliefs, or professions. These associations may serve charitable organizations including environmental, health, educational, humane, patriotic, scientific, artistic, social welfare, and civic.
- (2) "Charitable" means for a benevolent purpose, including environmental, health, educational, humane, patriotic, scientific, artistic, social welfare, and civic.
- (3) "Charitable organization" means any person who has or holds out as having a section 501(c)(3) tax exempt determination by the Internal Revenue Service and operates for a charitable purpose, or a person who is or holds himself out to be established for a charitable or civic purpose; or a person who employs a charitable or civic appeal as the basis of a solicitation, or employs an appeal that suggests there is a charitable or civic purpose for the appeal. "Charitable organization" includes a chapter, branch, area office, or similar affiliate soliciting contributions within the State for a charitable organization which has its principal place of business outside the State.

- (4) "Charitable sales promotion" means an advertising or sales campaign that represents that the purchase or use of goods or services offered by a coventurer is to benefit a charitable organization. The provision of advertising services alone to a charitable organization does not constitute a charitable sales promotion.
- (4a) "Collection Receptacle" means an unattended box, bin, canister, or other similar container used for the solicitation and collection of clothing and household goods and other miscellaneous items.
- (5) "Contribution" means a promise, pledge, grant of any money or property, financial assistance, or any other thing of value in response to a solicitation. "Contribution" includes, in the case of a charitable organization or sponsor offering a good or service to the public, the excess of the price at which the charitable organization or sponsor or any person acting on behalf of the charitable organization or sponsor sells the good or service to the public over the fair market value of the good or service. "Contribution" does not include bona fide fees, dues, or assessments paid by members if the membership is not conferred solely as consideration for making a contribution in response to a solicitation. "Contribution" does not include funds obtained by a charitable organization or sponsor under government grants or contracts.
- (6) "Coventurer" means any person who, for compensation, conducts a charitable sales promotion or a sponsor sales promotion, other than in connection with the solicitation of contributions.
- (7) "Department" means the Department of the Secretary of State.
- (8) "Emergency service employees" means employees who are firefighters, ambulance drivers, emergency medical technicians, or paramedics.
- (9) "Federated fund-raising organization" means a federation of independent charitable organizations which have voluntarily joined together, including a united way, united arts fund, or community chest, for the purpose of raising and distributing contributions and where membership does not confer operating authority and control of the individual organization upon the federated group organization.
- (10) "Fund-raising consultant" means any person who meets all of the following:
 - a. Is retained by a charitable organization or sponsor for a fixed fee or rate under a written agreement to plan, manage, conduct, consult, or prepare material for the solicitation of contributions in this State.
 - b. Does not solicit contributions or employ, procure, or engage any person to solicit contributions.
 - c. Does not at any time have custody or control of contributions.
- (11) "Fund-raising costs" means those costs incurred in inducing others to make contributions to a charitable organization or sponsor for which the contributors will receive no direct economic benefit. Fund-raising costs include salaries, rent, acquiring and obtaining mailing lists, printing, mailing, all direct and indirect costs of soliciting, and the cost of unsolicited merchandise sent to encourage contributions.

- (12) "Law enforcement officers" means persons who are elected, appointed, or employed by the State or any political subdivision of the State and who meet either of the following:
 - a. Are vested with the authority to bear arms and make arrests and have primary responsibility to prevent and detect crime or enforce the criminal, traffic, or highway laws of the State.
 - b. Have responsibility for supervision, protection, care, custody, or control of inmates within a correctional institution.
- (12a) "Maintenance" means to keep in working order in order to ensure that something continues to work properly and includes regular checks and the completion of any required repairs and adjustments.
- (13) "Membership" means the relationship of a person to an organization that entitles that person to the privileges, professional standing, honors, or other direct benefits of the organization in addition to the right to vote, elect officers, and hold office in the organization.
- (14) "Owner" means any person who has a direct or indirect interest in any fund-raising consultant or solicitor.
- (15) "Parent organization" means that part of a charitable organization or sponsor which coordinates, supervises, or exercises control over policy, fund-raising, and expenditures, or assists or advises one or more chapters, branches, or affiliates of a charitable organization or sponsor.
- (16) "Person" means any individual, organization, trust, foundation, association, group, entity, partnership, corporation, society, or any combination of these acting as a unit.
- (17) "Religious institution" means any church, ecclesiastical, or denominational organization, or any established physical place for worship in this State at which nonprofit religious services and activities are regularly conducted, and any bona fide religious groups that do not maintain specific places of worship. "Religious institution" includes any separate group or corporation that forms an integral part of a religious institution that is exempt from federal income tax under the provisions of section 501(c)(3) of the Internal Revenue Code, and that is primarily supported by funds solicited inside its own membership or congregation.
- (18) "Solicitation" means a request, directly or indirectly, for money, property, financial assistance, or any other thing of value on the plea or representation that it will be used for a charitable or sponsor purpose or will benefit a charitable organization or sponsor. "Solicitation" may occur by any of the following methods:
 - a. Any oral or written request.
 - b. Any announcement to the press, radio, or television, by telephone or telegraph, or by any other communication device.
 - c. Distributing, posting, or publishing any handbill, written advertisement, or other publication that directly or by implication seeks to obtain any contribution.

- d. Selling or offering or attempting to sell any good, service, chance, right, or any thing of value to benefit a charitable organization or sponsor.
- e. Placing or maintaining a collection receptacle in public view for the purpose of collecting donated clothing, household items, and other items for resale.

The selling or offering or attempting to sell is a "solicitation" whether or not the person making the solicitation receives any contribution. It is not a "solicitation" when a person applies for a grant or an award to the government or to an organization that is exempt from federal income taxation under section 501(a) of the Internal Revenue Code and described in section 501(c) of the Internal Revenue Code.

- (19) "Solicitor" means any person who, for compensation, does not qualify as a fund-raising consultant and does either of the following:
 - a. Performs any service, including the employment or engagement of other persons or services, to solicit contributions for a charitable organization or sponsor.
 - b. Plans, conducts, manages, consults, whether directly or indirectly, in connection with the solicitation of contributions for a charitable organization or sponsor.
- (20) "Sponsor" means a person who is or holds out to others as soliciting contributions by the use of any name that implies affiliation with emergency service employees or law enforcement officers and who is not a charitable organization. "Sponsor" includes a chapter, branch, or affiliate that has its principal place of business outside the State, if this chapter, branch, or affiliate solicits or holds out to be soliciting contributions in this State.
- (21) "Sponsor purpose" means any program or endeavor performed to benefit emergency service employees or law enforcement officers.

The court may also order the person to produce a financial statement that has been audited by an independent certified public accountant. Costs incurred by the Department to obtain an order granting, in whole or in part, a petition for enforcement of a subpoena or subpoena duces tecum shall be taxed against the subpoenaed person and failure to comply with the order shall be contempt of court.

Acceptance of an assurance may be conditioned on commitment to reimburse donors or to take other appropriate corrective action. An assurance is not evidence of a prior violation of any of this Chapter. Unless an assurance has been rescinded by agreement of the parties or voided by a court for good cause, subsequent failure to comply with the terms of an assurance is prima facie evidence of a violation of this Chapter.
