

PUBLIC NOTICE
Aura Power Developments (USA), LLC

The Fisher Chewing Solar Facility, an approximately 150 MWac solar photovoltaic generating facility, is proposed to be located in Louisa County, Virginia. The project is designed to consist of approximately 308,000 solar panels that will be affixed to a fixed-tilt racking system or a single-axis tracking system, with a maximum height of 22 feet, and inverters with a maximum height of 22 feet. The project is proposed on a 1,365 acre site located on privately-owned land to the south of Davis Highway, and generally bound by Route 522 to the west and Jefferson Highway to the east.

Aura Power Developments (USA), LLC invites the public to learn more about this project by attending the public meeting or contacting our team. Aura Power Developments (USA), LLC seeks to (i) acquaint the public with the technical aspects of the proposed project and how the standards and requirements of the Virginia Department of Environmental Quality (DEQ) Small Renewable Energy Projects (Solar) Permit by Rule (PBR) regulations will be met, (ii) identify issues of concern, (iii) facilitate communication, and (iv) establish a dialogue with persons who may be affected by the project.

In accordance with 9VAC15-60-90 C, a 30-day comment period will be held May 13, 2022 through June 12, 2022. A public meeting will be held in accordance with 9VAC15-60-90 D on June 1, 2022 from 5:00-6:00 pm at the Louisa County Library, located at 881 Davis Highway, Mineral VA 23117.

Copies of the documentation to be submitted to the DEQ in support of the Permit by Rule application will be available for inspection at the Louisa County Community Development Office, located at 1 Woolfolk Avenue, Suite 201, Louisa, VA 23093. Materials will be available for viewing 8:30 am - 5:00 pm Monday through Friday.
