# FAIR HONOREE

Mike Hopkins

This year's fair honoree is no stranger to the county fair or our agriculture community. We are proud to honor Mike Hopkins as the 2024 Fair Honoree. Four decades ago Mike was a founding member of the Louisa County Fair and has remained involved in the fair's continued success for over 40 years. His love for agriculture can be seen in every aspect of his life, and remains a driving force in his accomplishments.

He is often, and lovingly, referred to as "Hopkins" by the hundreds of students who passed through his classroom as an agriculture educator and FFA Advisor at Lee Davis High School and Louisa County High School. For 30 years, Mike shared his passion for agricultural mechanics, turf management, and FFA with his students. From metal working to engine repair, there are many tradesmen and women who got their start in his classroom.

Today Mike operates Hopkins Excavating and Repair and Grandview Cattle with his wife, Kim. Together they are the proud parents of four children, Kaylyn, Anna, Abbie, and Wyatt. Continuing his lifelong legacy of excellence and service to his community, Mike is a leader of The Point Church and the Louisa County Farm Bureau. He is a lifelong supporter of to-numerous-to-mention community organizations including but not limited to Louisa 4-H, Louisa FFA, Virginia FFA, Louisa County High School Athletics, and Louisa County Fair.

PRESIDENT’S MESSAGE

The board and members of the Louisa County Fair are looking forward to seeing you back at this year’s fair July 25th – 27th at Walton Park. Our community is the reason the fair continues to be successful each year.

We are excited to welcome many new changes to our fair this year, including the addition of several small rides and bounce houses! We will feature a variety of entertainment on our main stage and have introduced a new community stage featuring local artists and demonstrations. As always, we are proud to continue our long-standing partnership with the Louisa 4-H and Louisa FFA Alumni organizations, who will be present at our fair offering livestock displays and operating the famous ChuckWagon. From rides and a petting zoo, herding demonstrations, a chainsaw artist, aerialist shows, milking demonstrations, a magician, and antique tractors to olde fashioned games, judged exhibits and everything in between, this fair is one you won’t want to miss! It’s fun for the whole family!

We cannot say THANK YOU enough to our sponsors, supporters, and volunteers who invest hours and hours of their time to make this community event a success. Without you, our event simply would not be possible.

We are looking forward to seeing and celebrating with our community once again at this year’s event! We hope you will make plans to join us!

See you at the fair,  
Whitney Perkins-King  
Fair President

With the Sunset Strip practically in his back yard, JB and his then band X-Syndrome, played such venues as The Whiskey a go-go, The Roxy, The Troubadour, The Viper Room and many others around SoCal. After years of being a front man in rock bands, JB ultimately wanted to become a country artist as that was always in his heart since he was young. He finally got the chance in 2017 when he released his first single "Love Don't Live Here" and never looked back. # SENSORY HOURS

With so much to do, see or eat, the Louisa County Fair might seem a bit overstimulating to some. In order to make the fair an enjoyable experience for all members of our community, we will be turning down the lights and sound for a few hours to ensure a sensory friendly atmosphere. We invite members of our community with sensory needs and their families to enjoy the fair during our special sensory hours from 3-5pm on Thursday, July 25th.

Special sensory activities have been planned, with modifications in certain

zones of the fairgrounds.

**Sensory Cooling and Calming Station:** This area will serve as a safe space for fairgoers to escape if overstimulated, as well as a place to cool off for those who have health conditions that may cause overheating. We recommend bringing a pair of noise canceling headphones just in case. However, we will have noise canceling headphones on hand in the event that they are forgotten.

**Ole' Fashioned Games Tent:** At the Ole' Fashioned Games Tent you will be able to enjoy making a farm discovery bottle along with exploring a wide array of sensory bins, such as farm animal washing or construction. Our famous corn pit will also be available to enjoy without the crowd that you experience during regular fair hours. Miss Sheri the Clown will be stationed in this area making balloon animals for fairgoers, and Creative Faces by Stephanie will be available to provide face painting, glitter tattoos and fairy hair!

**4-H Livestock Tent:** 4-H will be on hand to introduce their animals and talk about them. They will be hosting a special Buddy Show at 3:00 pm on Friday, so be sure to return and check it out. Please note that some fair goers may need noise canceling headphones due to animal noises.

**Other Activities to Enjoy:** Aerialist Show, Pony Rides, Petting Zoo, Magic Show, Inflatable Bounce Houses, The Barrel Train, Antique Tractor Show, Equine Parade of Breeds, Southland Mobile Dairy Milking Demo. Please note carnival rides will not be operating during this time.
